

BOY SCOUTS OF AMERICA®

BALTIMORE AREA COUNCIL

August 27, 2020

Dear Scouting Family:

While the Baltimore Area Council continues to monitor the COVID-19 outbreak closely, the BAC COVID-19 Task Force and ERM Committee have put together the [Unit Operation Guide](#) to give Units some Guidelines for Unit Meetings and Activities. The measures described were developed based on guidance provided by the Maryland Department of Health, Maryland's "Roadmap to Recovery," the U.S. Centers for Disease Control and Prevention (CDC), the National BSA, and our local Baltimore Area Council COVID-19 Task Force. The health and safety of our Scouts, families, volunteers, and staff continue to be our top priority. Thank you for doing your part to help keep the Scouting program alive and well while maintaining our Scouts' and Scouters' safety.

The BAC will continue to monitor the situation and local, state, or national government restrictions, and notify if Unit activities are affected.

We look forward to helping our Units begin to meet and participate in activities again. Please do not hesitate to reach out to us should you need any help. As more updates become available, we will continue to update you accordingly.

Stay safe, and Scout On!

Kenn Miller
Scout Executive
