	scouts	

Thanks for taking part: 69 units, 507 scouts* (virtually all doing two or more O' courses) and 158 "participating adults"* orienteered for a total of 665 orienteers, a good turnout even with our coldest night of the season so far (just over half of our registrants paid for camping.)

*including 30 youth, 12 adults from Civil Air Patrol (CAP) units that did orienteering training and more all day.

Eight different troops had scouts in the top nine in the Younger category, 12 troops were in the top 14 in the Older category, and the Super Advanced top six were from six different troops!

Congratulations to Troop **102** for their fourth Top Two finish in five years! Congratulations to Troop **111** for their tenth* Top Two finish, an all-time record! (*all in the past 17 years), and to **647** and **540** for their highest finishes ever!

Congratulations to **102's** Owen and Elliott on their win this year. Owen was in the Top 40 in 2013. SPL Elliott was in the Top Ten in 2015 and his father Will was fourth on Super-Advanced in 1989 (from Troop **191** in King George, VA from which Grandfather Wallace Morton has been bringing scouts to this event most every year 1988 to 2020.)

Congratulations to **347's** Nate Beardmore on his win this year, up from 5th last year, to **111's** Thomas (3rd time in the Top Five), **111's** Houston and Jon (Jon's 3rd time in the Top Two, Houston moving up from 7th), to **702's** Garrett (Top Four for the 3rd time), and to **102's** Graham and Blaidd and **731's** Matthew (all Top Five for the 2nd time.)

Score Orienteering in the afternoon is a "team" (troop) sport, not individual, but we did notice some spectacular individuals:

602	Jay Lekhram/Raghu Antar	459 points from 17 controls
92	Connor White/Nick DeSantis	440 from 18
1450	Jeremy Bloom/Devin Counihan	427 from 12
102	Blaidd Wilt/Graham Lucas	369 from 17
439	Daniel Echols/James Phillips	368 from 13
354	Gavin N./David H.	361 from 14
883	Anthony Crognagle/Gavin Konigsdorffer	329 from 10.....

The Score Orienteering in the afternoon had exceptional results from almost all troops...very well done! Before dividing into the raw score above, "# of p.m. pairs" above is **adjusted** to factor the % of older vs. younger, & also the lowest score or two for larger troops is effectively dropped. (We encourage troops to bring as many scouts as possible, experienced or not!)

Ten or more scouts have long been required in order to win the top troop award patches; units with <10 either combine with others (above) or are listed above in the "smaller troop" category. Super Advanced & triples on the list above count as a "pair." *"Route O' avg." includes Super Advanced results.* NCAC is Nat'l Capital Area Council; NBOF is New Birth of Freedom Council; Cr Lberty is Cradle of Liberty Council; Delmv is Del-Mar-Va Council. V=Venture crew

G=all-girl Scouts BSA troop BG=boy & girl troops, same troop # GS=Girl Scout Troop. We had over 60 girls this year. We've had girls do extremely well at our event for decades; i.e., in 1999, two of the top six on Super-Advanced were from a Girl Scout troop; in 2018 two of the top three younger pairs were girls.

2019 EVENT STAFF: Dave Linthicum, Peggy Brosnan, Tom Delaney, Peggy Dickison, Francis Hogle, Gayle Ryan, Pat Ryan, Dave Newby, Cindy Parker, Amy Loudon, John Segelhorst, Diane Segelhorst, Jody Landers, Tammy Koenig, Stan Turk

Many of the above have been on staff for 15 to 40+ years at this event! Thanks to **all** of the staff, without whom the day would not happen.....everyone knows how to flawlessly handle just about every aspect of the day!

Special thanks:

...to Christine Wetzel, Dan Ksiazek, and their colleagues for the superb Balto. Area Cncl. coordination, and hard-working Broad Creek rangers Tom Wagner and Travis Bristow.

...again this year to emergency services providers and search/rescue support experts Wes LaPre, Kevin Redman, Dana Hooper, plus ~12 other adult colleagues, and their ~30 Civil Air Patrol (<http://www.mdcap.org/>) youth doing orienteering & supporting this event for 35 years!

...again this year to Tom Rivard-Willis, Paul Semke, Kevin Hoak, Janet Biscoe, and everyone else in the whole hard working crew from Troop **873** in Ferndale (Four Rivers) for providing lunch and other support to this event (for the 26th year, & 873's 42nd year attending this event!)

...to Don Smith, Billy Koors, and the adults and youth from the Dulaney District Service weekend for their timely, generous parking coordination!

...to the adult leaders who generously donated a couple hours to be on our field staff during Route Orienteering: Amy Conroy (1946), Jeff Harry (164), Julie O'Reilly (995), Elizabeth Shashaty (1946), Jim Lazarek (602), Adam Ake (602), Bob Kruse (602), Jonathan Nelson (204)... And to all the troop leaders that brought their troops out!

Thanks again to the hard-working staff and to all the participants.....See you at future orienteering events!.....Dave
